NOTICE

i; a man; require the UNITED STATES OF AMERICA to show up in court; take the stand; present me with a photo ID (eg: a Driver's License with his/her name UNITED STATES OF AMERICA clearly printed on it; a current street address, and a clear photo of his/her face to enter into the record so I'll know who to hold personally liable should the claims against me turn out to be false or inaccurate) and verify his/her claim against me so I may cross examine my accuser (Amendment VI - The accuser surely witnessed the supposed crime and the plaintiff must appear) and compensate him/her for any harm, injury, or loss i may have caused. If this man/woman that goes by the name of 'UNITED STATES OF AMERICA' cannot show up to verify his/her claim, i require this matter immediately discharged, as the court will have no jurisdiction to even hear the case because there is apparently no controversy before the court. It is my belief that there is no man/woman named 'UNITED STATES OF AMERICA' who can verify this claim by uttering with his/her voice I've done wrong or caused him/her personal

harm, injury, or loss, therefore pressing it upon the record in open court, as I've never even heard of this man/woman, and don't believe we've ever crossed paths to be quite honest. It is also my belief, that someone is filing frivolous complaints (false claims) on behalf of this entity known as 'UNITED STATES OF AMERICA' (whoever those individuals may be) in an attempt to deprive me of my rights and property without due process of law and/or fair and just compensation. If this matter is not immediately discharged, I will be requiring leave of court so I may bring forth an actual proper and variable claim before the court to address these trespasses against me in the proper venue - a court of record (trespasses being: personage, filing false claims, barratry, extortion, malicious persecution, unjust enrichment, fraud, theft, kidnapping, etc.) in which I will be requiring compensation for the trespasses and wasting my valuable time, money and resources having to deal with this complaint, as I do not have time to answer

complaints without compensation at this time. I will also be requiring compensation at this time. I will be requiring compensation of one U.S. MINT one ounce American Silver Eagle per second for every second i was ^{or am} incarcerated from the very commencement of the crime until i was ^{am} released. If there is an actual verifiable claim before this court, i will be more than happy to show up free of charge and address any proper and verifiable claim against me.
